

Quality Policy

Intermarine UK Ltd consistently provides quality services to meet specified Customer needs and expectations. Our business activities continuously develop and evolve to deliver our commitments and adhere to applicable regulatory and statutory body requirements to satisfy our Clients and Stakeholders.

At Intermarine UK Ltd, Quality is everyone's responsibility. We seek active participation and collaborate with staff at all levels to conduct measurable, accountable Quality Assurance activities in support of our objectives and maintain high standards of work. Our Training system also seeks to promote personal betterment for all employees.

We encourage our employees to continually improve the performance of our processes and services by proper preparation, evaluation and risk control, seeking to prevent the occurrence of errors and minimizing the need for corrections or rework. The effectiveness of the Intermarine UK Ltd Quality Management System is monitored, measured and analyzed via the use of Business Objectives subjecting to regular review.

This Quality Policy is appropriate to the purpose and context of the organization and supports its strategic direction.
